The Fine Arts Society of Peoria was founded in 1962 to offer a guided series of lectures and other programs devoted to the exploration of the arts and to invite to the community distinguished speakers who are experts in their respective disciplines. After 50 years, our mission is still to provide a guided program for the exploration of the arts.

The Society usually meets on the second Thursday of each month at the Peoria Riverfront Museum. Coffee and light refreshments are served at 9:30 a.m. and the one hour lecture begins promptly at 10:00 a.m.
